

Alexander Ball spreads a message of Justice and Honesty.

(Tucson, AZ – Feb. 26, 2020) Last night, Alexander Ball, candidate for Justice of the Peace in Pima County, spoke at the Democratic Legislative District 9 (LD9) meeting. His campaign’s promise to secure Justice for ALL and end over-incarceration resonated with voters. Below is a full transcript of the

address:

“Hello everyone, I’m Alexander Ball and I’m running for Justice of the Peace.

I’m running because for too long we have suffered the consequences of over-incarceration and systematic injustice. I’m running because we deserve honest, trustworthy judges, who will strengthen our community; not judges who separate us and send non-violent offenders to jail. [*APPLAUSE*]

In Pima County, a Justice of the Peace handles local criminal misdemeanors and civil cases worth less than \$10,000. This includes traffic violations, landlord/tenant disputes, and workplace harassment cases.

I’m a licensed lawyer with extensive judicial experience. I graduated Georgetown Law and have worked for multiple federal judges over the past seven years to solve complex legal issues in our community. As Justice of the Peace, I promise to bring back stability and integrity to our Justice Court, and improve our legal system so that it works for ALL people.
